Reach a potential **400,000** captive audience customers with **Comcast OnDemand!**

Reach thousands of viewers via our **Broadcast Commercials!**

Be seen as a supporter of **Local Business, Artists, Musicians, and more!**

My name is Jeffrey Lee. My family of 4 is from Lafayette, Indiana. We have been blessed to have worked *collectively* for the past 7 years in the Chicago market on national print ads, commercials for major corporations, and as extras in a few TV shows like Boss (Starz) & the movie LOL with Miley Cyrus. Collectively, we've done commercials for Wal-mart, Sears, Serta, American Cancer Society, Walgreens, Harris Bank, Geico, Comcast, and many others. We've been in dozens of print ads for Finish Line, Citi Bank, Allstate, Six Flags, Kohl's, and my youngest daughter's favorite, American Girl. We've enjoyed the support of our family and friends during our journey. We are now embarking on the next phase of our venture with a locally based, *locally sponsored Docu-Series* following our family. *On January 8th 2013, our family relocated to Los Angeles* for **Pilot Season** (this is when new shows are created for next season). We've signed with **Stein Management** and look forward to making our mark in Hollywood! We have a great fan base and aim to provide a high quality, TV viewing experience for Indiana based residents. Viewers will follow along and see what it's like going on auditions, jobs, and photo shoots. We'll be auditioning for new and current TV shows for **Disney & Nickelodeon**, as well as National commercials! They'll watch as we strive to balance work, school, sports, and other normal family activities *with our acting careers*. Fans will follow us as we meet talent managers, other actors, and more! With **Comcast OnDemand** your sponsorship can be seen by **up to 400,000 customers!**

We are asking for your support as a local sponsor! In return for your sponsorship we will not only list your business name in our credits, but certain levels will include a free commercial aired *during our program*. This is a truly unique advertising opportunity and we hope you join us for this fun and exciting venture!
